EDUCATION

BACHELORS IN ENGINEERING (B.E)
K.K Wagh institute of Engineering Education &Research   SPPU University Nashik (2019-2023)

TECHNICAL SKILLS

- **Power BI** (Power Query, Data Modelling, Visualization, Reports)
- **Python** (Pandas, NumPy, Seaborn Matplotlib)
- **Excel** (VLOOKUP, Pivot Table)
- **SQL**
- **Tableau**
- **Machine learning**
- **R studio**

COURSES

Data Analyst And Business Analyst (ExcelR)

Data Science (ExcelR)

Languages –ENGLISH, HINDI, MARATHI
Python - Basic of python
MY SQL   -

Platforms - Power BI, Google Collab, Jupyter Notebook, Tableau, Excel, MS-Office, GitHub.

CERTIFICATE

BY ExcelR
For Completing Course of Data Analyst Successfully

PROFESSIONAL SUMMARY

Skilled analyst proficient in Power BI, Tableau, Excel, and SQL for Bank Analysis. Translates complex data into actionable insights for informed decision-making.

PROJECTS

PROJECT NAME: Bank Analytics

- Designed and developed Bank analyst dashboards utilizing Excel, Power-BI, Tableau, and SQL for banking analysis.
- Leveraged advanced data manipulation techniques to extract insights on loan status, customer behavior, and money management.
- Created visually compelling dashboards with interactive features to facilitate data-driven decision-making.
- Collaborated with cross-functional teams to refine requirements and deliver proper service and analysis of bank growth within the banking sector.
